Chairman Rick Lowe opened the Comprehensive Plan Committee meeting. Minutes from the previous meeting were reviewed and a motion made to approve. The minutes were approved by unanimous consent.

Chairman Lowe turned the meeting over to Phil Clark of the Middle Georgia RDC for a discussion of the agenda topics. Phil began with a review of the current status of preparations for the June 22 and June 29 public forums. Phil mentioned the need for a camera operator to record the public forums. Doug McDowell volunteered to handle these duties on the 22nd and 29th. Phil covered several other relevant points of information concerning the public forums on the 22nd and 29th as a way to make sure the Committee was aware of duties, schedules, and expectations.

Phil mentioned a date of July 12 to schedule a public hearing on the Community Assessment and Community Participation Program. He would confirm this date at the next CPC meeting. Phil proceeded to outline the process after the public hearing which is to have Houston County Board of Commissioners and the City Councils of Centerville, Perry, and Warner Robins adopt a resolution transmitting the Community Assessment and the Community Participation Program to the RDC for review.

Phil announced that the next Committee meeting would be scheduled for Wednesday, June 28, at 8:30 a.m. at Warner Robins City Hall.

With no further discussion, the meeting was adjourned by Chairman Lowe.
